Making Music #athome | ...Into the Summer Season

Solmaaz Adeli & Friends

Our **May 1** concert at MJA Vineyards in their fabulous barrel room has a new date of:

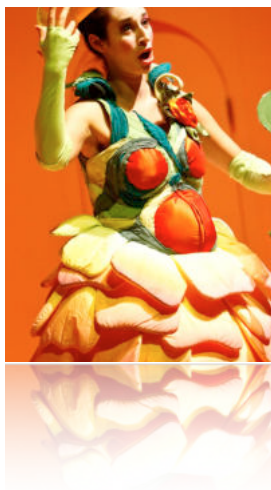

Friday, July 24, 2020

5:30pm - 7:00pm

Our **May 3** concert at Del Mesa Carmel Valley has been postponed TBD.

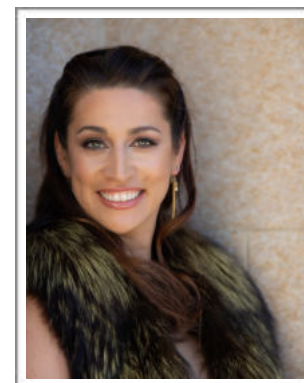

ELSA - Vienna Sept. 2020

Solmaaz is set to perform the **title role in ELSA**, a contemporary new opera by Croatian composer Margareta Ferek-Petric in Vienna with Sirene Operntheatre.

Spring greetings to you all - wishing you a healthy season of music-making #athome - listening, playing, enjoying.

Learning the title role of ELSA set for September 2020 in Vienna, teaching online, and singing #athome are keeping me busy these days...I've been singing with our son Cyrus, (check out *Over the Rainbow* on my Instagram

@solmaaz.adeli) and sometimes his preschool friends via Zoom - nursery rhymes and American Standards are so beautiful and soothing. Sing some, we all know them!

Please visit www.solmaazadeli.com to stay updated on schedules for performances, Voice Academy SOL, and Solmaaz Adeli & Friends.

On the right, my debut performance of Flora, the goddess of spring and life - in the baroque opera *Il Nascimento dell'Aurora* at the Vienna Chamber Opera.

Enjoy the quiet, stay connected, stay tuned!

Solmaaz x
